- › Objection handling
- › Bilingual support (Spa/Eng)
- › Cash register & inventory

LANGUAGES

- › Spanish — Native
- › English — B1 Intermediate

SOFT SKILLS

- › Adaptability
- › Results-oriented
- › Work under pressure
- › Fast learner

PROFESSIONAL PROFILE

Versatile professional with experience in web development, AI automation, IT support, and sales. I build full-stack web applications with React, Node.js, and Python, and implement automation workflows using Make, Zapier, and AI tools (ChatGPT, Claude, Gemini) to optimize processes and reduce manual tasks. I have managed network infrastructure in high-demand environments and served customers in face-to-face commercial settings. I adapt quickly to new environments with a focus on delivering concrete results.

PROFESSIONAL EXPERIENCE

Web Developer & IT Support Assistant

Hotel Mocawa Plaza · Armenia · 2025 · 6 months

- Design, maintenance, and creation of new pages for the hotel website in WordPress: section redesigns, new functionality development, and content publishing.
- Implementation of AI tools (ChatGPT, Claude) to accelerate development tasks, content writing, and technical incident resolution.
- Automation of internal processes using Make and Zapier workflows, connecting services and reducing repetitive manual tasks.
- Technical support to staff and bilingual (Spanish/English) assistance to international guests, resolving HW/SW incidents.
- Preventive and corrective maintenance of 20+ computers; peripheral repair including cable soldering.
- Administration of routers, Wi-Fi access points, and structured cabling across all 17 floors of the hotel.
- Participated in critical server migration: full replacement with PoE switch pairing under technical supervision.

Commercial Advisor — Technology

Bunker Technology · Pereira · 2024 · ~2 months

- Personalized customer advisory for mobile phones and tech devices; quality of service was a key differentiator in closing sales.
- Cash register handling, inventory control, and product display at the point of sale.

TAT Sales Representative — Traditional Channel

Gray Vape · Armenia · 2024 · Temporary

- Visited and restocked retail points on a TAT (store-to-store) route across Armenia.
- Order management, client billing, and maintenance of commercial relationships with partner stores.
